935

The image shows a black metal frame assembly, possibly for a bicycle or a similar vehicle, resting on a stainless steel table. The frame consists of several horizontal and diagonal bars. Two red dots are placed on the frame: one on the left side near a vertical support, and another on the right side near a curved section. The number '935' is printed in red in the center of the frame. The background is a plain, light-colored wall.

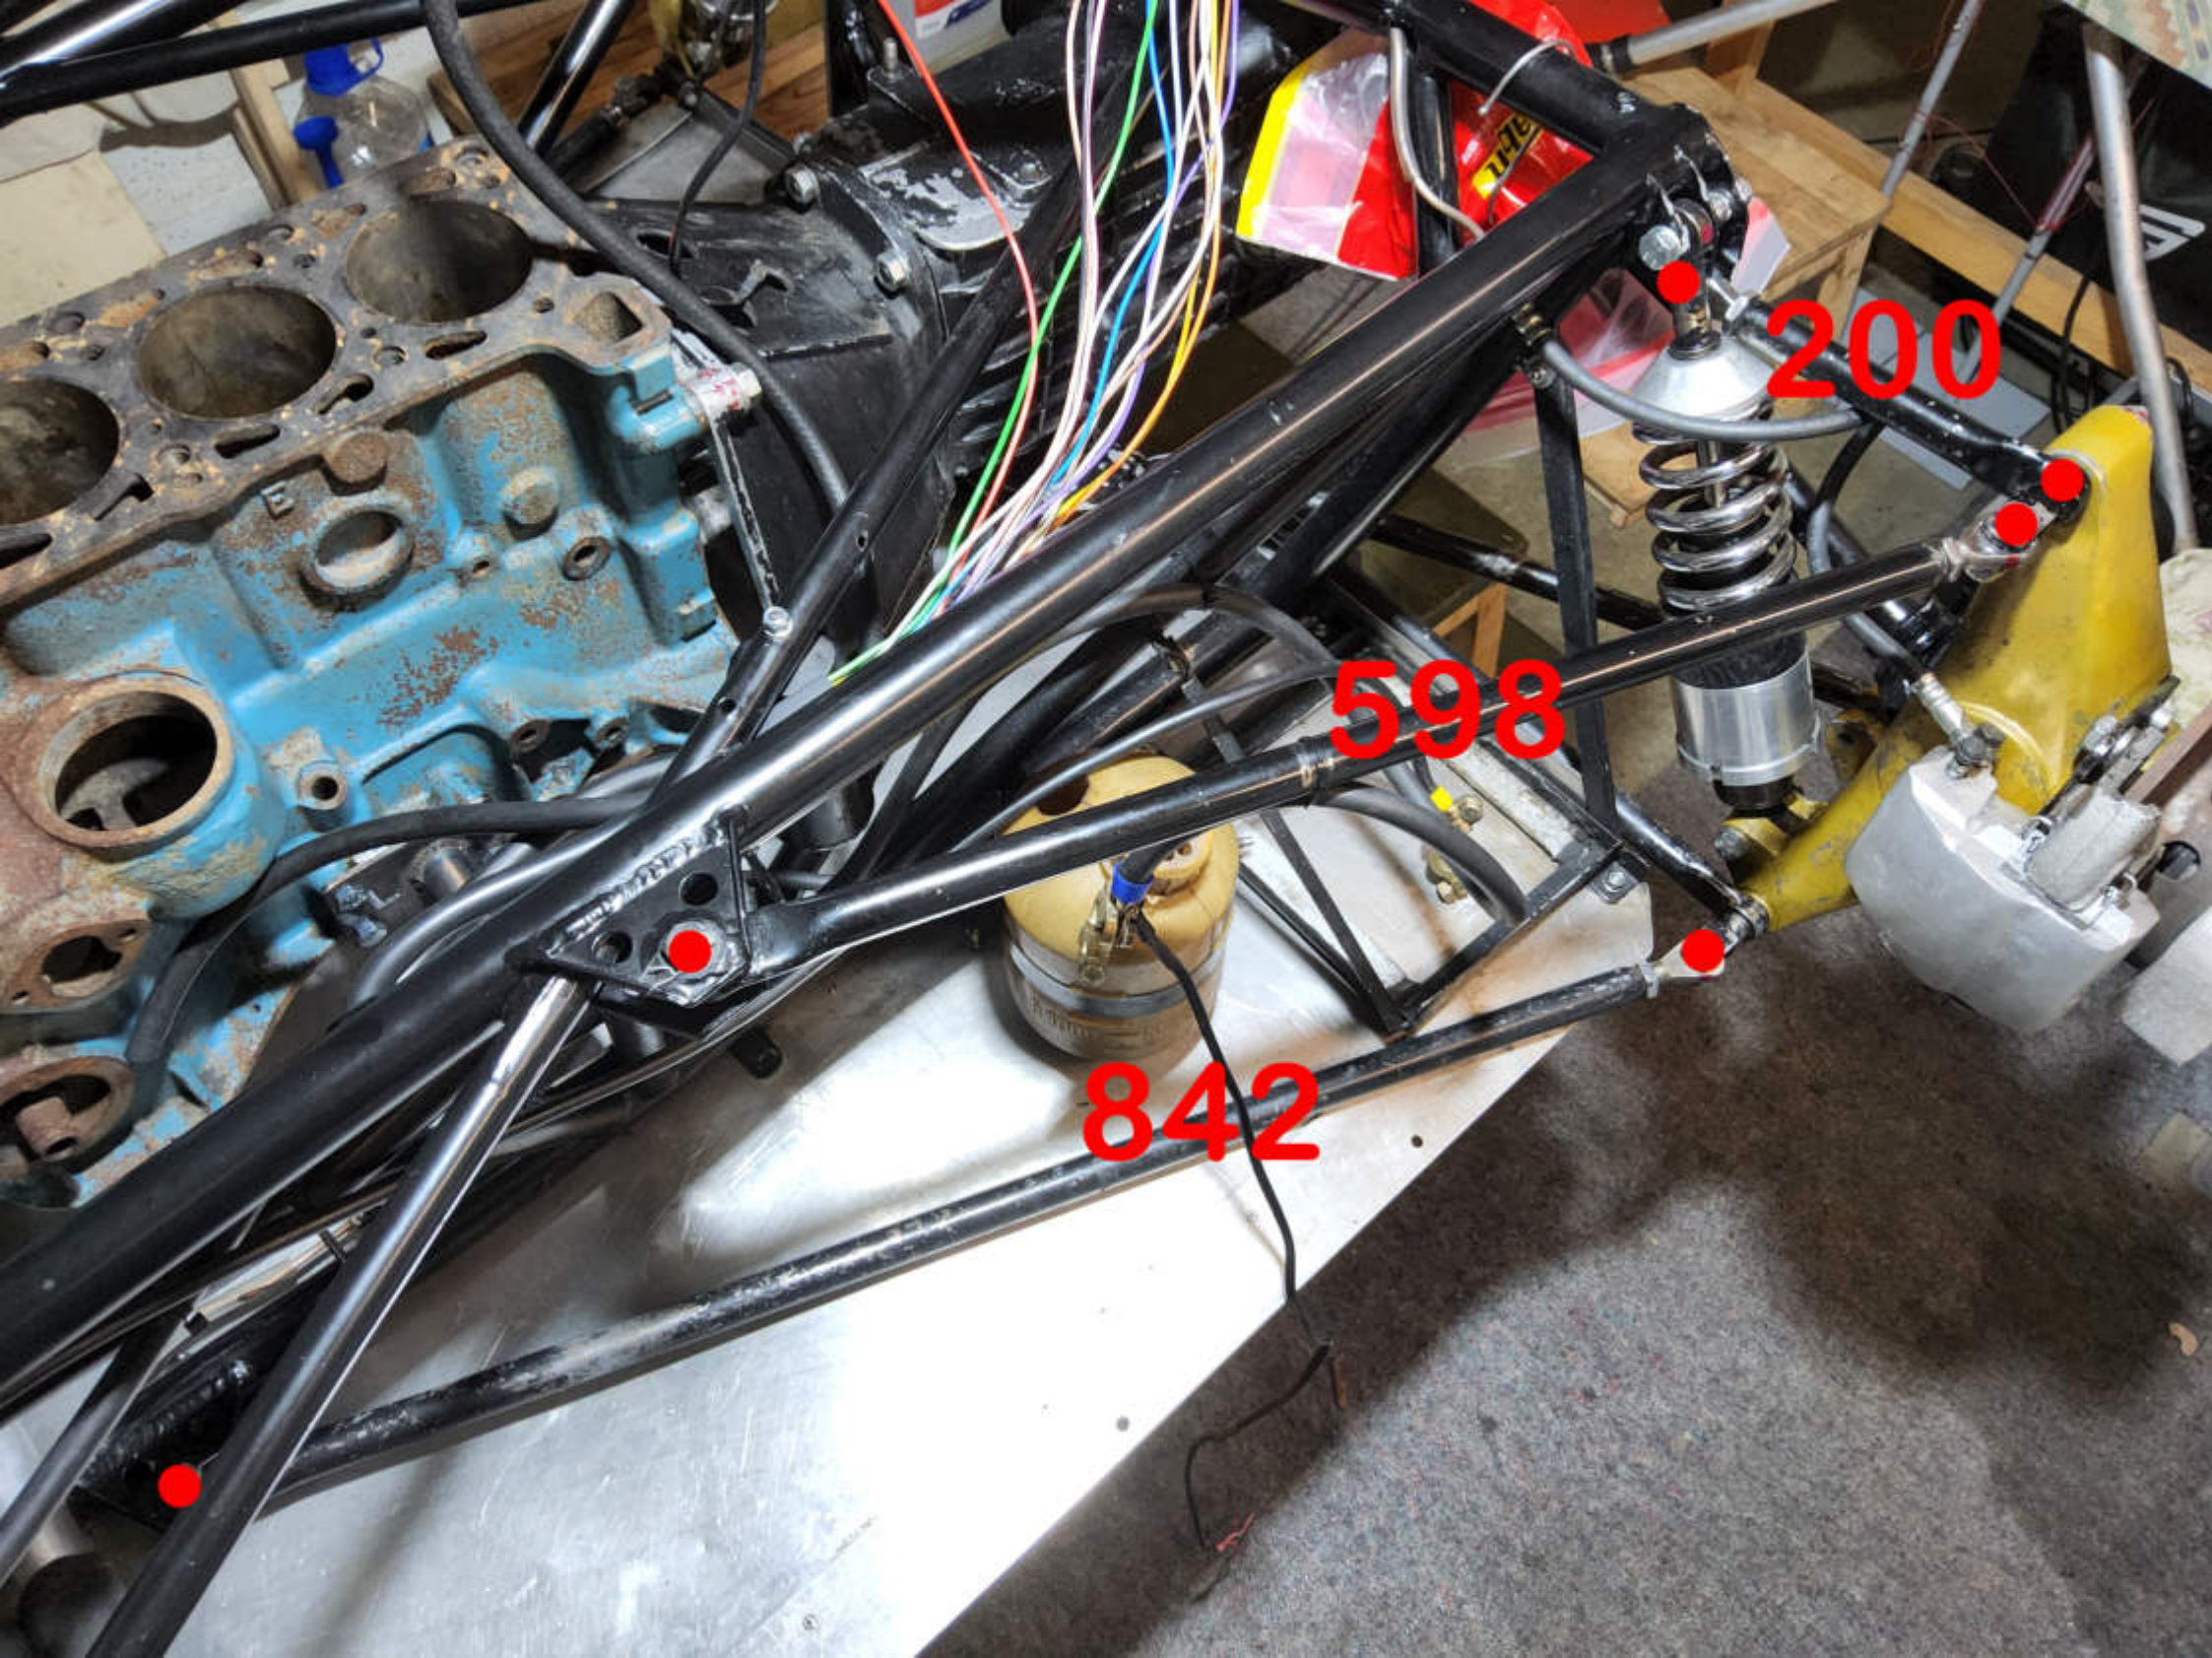

A black metal frame, possibly for a vehicle or industrial equipment, is shown against a light-colored, reflective floor. The frame consists of multiple horizontal and diagonal bars. A large red number '940' is superimposed on the central horizontal bar. Three red dots are placed on the frame: one on the left end of the central bar, one on a vertical bar on the right side, and one on a small vertical component near the top center.
